Compiler's note

As Australia-wide dance directories can struggle to keep up-to-date, I have based this directory on linking to State-level sites. This 'directory of directories' approach requires considerably less maintenance. I compiled the 1st edition in June 2015 and since then have updated the Guide in January/February, when I send it to my SA folk email list and also email it to all the groups listed. Since 2017 it has also been downloadable from the Directories page of the Australian Social Dance Network website. Naturally I'd welcome suggestions for additional entries but will aim to limit the document to two pages.
