

Tuesday Night Music Group (TNMG) Annual Report 2023

TiNMuGs continues to thrive. 30 years on and still going strong. We meet most Tuesday nights, at the Irish Club or in private homes. With nearly 60 on the mailing list we have a regular attendance of between 12-24 musicians. Friendly, tolerant and fun, it's a good way to enjoy making music with others. All welcome, we play from written music which is available for download from the web. Julie is our inspiration, however she is ably assisted by several other members of the group. On behalf of the TiNMuGs I would like to thank Julie in particular, there would be no TiNMuGs without her energy and charm. Thank-you Maurie for your work with the black books and our online library, and Bill Galer for recording and publishing videos of some of our music.

2023-24 plan

TiNMuGs will continue to meet weekly in private homes and commercial premises. (eg Irish Club, LDK Tuggeranong). TiNMuGs will continue to give concert performances when requested for community groups (eg Spiral in Curtin). TiNMuGs will run a dance for a private function at Guy's Cross Olive farm. TiNMuG's may recommence dances for children or play for other community sponsored dances.

TiNMuGs requires no financial support from MFS beyond public liability insurance at this time.
