

Monaro Folk Society – Set in Their Ways

Annual Report 2023/24

SITW had a good year this year with dancing continuing on Monday nights and a few external events.

The aim of SITW's is to provide advanced dancing opportunities in Irish Set Dancing (ISD) and to promote MFS and ISD through displaying and teaching at festivals and events. SITW was able to do this by being running the dance program at the Yass Celtic Festival and having teaching sessions at Cobargo.

The groups' finances are summarised below:

Description	Income	Expenditure	Profit / Loss
Financial Year Total	\$ 3500	\$ 3,237.50	\$262.50

The income is due to an attendance intake of \$10 per person. The expenditure is the Hall hire fees. Both income and expenditure are slightly less than the figures presented are in line with the budget.

Thanks to Paul and Leslie Carr and James and Sally Garner for all the calling. And thanks to all the members of SITW.

We look forward to sharing the joy of Irish Set Dancing together this coming year....
