

## **Membership Secretary's Report for Monaro Folk Society AGM 2023-2024**

I took over the role of Membership Secretary in May this year. I would like to sincerely thank Christine Gifford for the very detailed notes she gave me, for visiting me and taking the time to show me what to do and for being on the end of the phone or email to respond immediately to any questions I had. I could not have managed without this help.

I'd also like to thank Moir for explaining the financial side of things, for making the spreadsheet available and for adding a column with the membership updates.

I'd also like to thank David for the assistance he has given me.

As of 24<sup>th</sup> August 2024, there were 152 financial members, of which 28 are Family/Couple memberships, 119 are single and 5 are remote.

This is an increase on the same time last year (20<sup>th</sup> August 2023) when there were 140 members, of which 30 were Family/Couple Memberships, 92 were single and 6 were remote.

The average membership over the last 5 years is 131 members: 35 Family/Couple, 90 single and 6 remote.

We have made no distinction over hard copy/mailed copy of the Musings as we have not had a newsletter for a while. The committee is considering this.

Anna Brown  
MFS Membership Secretary
