

Canberra Celtic Choir Annual Report for MFS AGM: 22/8/2025

The choir has continued to meet weekly at the Canberra Irish Club on Monday evenings 7:30-9:00. We have added some new members. Attendance at rehearsals varies but is usually between 8-12. Here are some of the activities over this financial year:

- On 3/8/2024 we performed a short set for Choiracopia at Smiths Alternative.
- On 8/12/2024 We performed a short set for the Merry Muse
- On 9/12/2024 We had a choir dinner at the Irish Club. We try to organise these for a couple of times each year.
- On 9/2/2025 2025 we again had a stall at the Multi-Cultural Festival. Our stall was near the Welsh Society stall, so we were entertained through the day with beautiful harp music from Madeleine Johnson. We again displayed the Choir banner with the MFS logo. We also handed out MFS leaflets along with the choir information. We had a lot of inquiries and attracted some potential members.
- On 3/5/2025 we performed for the International Day at the Defence College in Weston
- On 10/05/2025 we performed for the Monaro Folk Society Open Day
- Kerrie Falconer and Mandy Scott regularly update our Facebook page with news and photographs.
- Sadly – we have farewelled a couple of past members of the choir this year. In February - Phil Muttakumar, and more recently, Janet Rickwood. Both of these past members had fulfilled the role of treasurer before we became a sub-group of MFS.
