

Set In Their Ways annual report to the MFS 2024-2025 Financial Year

Set In Their Ways have had another good year of promoting Irish Set dancing. We have run classes throughout the year in Canberra and featured displays and workshops at The Yass Celtic and Irish Music Festival, Kangaroo Valley Folk Festival, and Cobargo folk festivals. Paul and Leslie Carr also ran workshops at the Bundanoon DanceFest. We also took part in the Whole of Society Day calling Irish Sets at the evening dance.

We continue to be largely cost neutral to the Society with our weekly subscriptions matching our hall hire and refreshment costs. We do not charge festivals for our participation as we are glad to be involved.

We anticipate featuring at the same festivals next year and have also applied for the National Folk Festival.

Thanks to the MFS for their continued support.
