Report on last year.

TiNMuGs had yet another great year. With near 100 on the mailing list we regularly get 20+ at the Irish club; a few fewer on non Irish club nights. We have overwhelming enthusiasm at our performances and dances. TiNMuGs continues to be a special place where less experienced musicians are welcomed and encouraged. We enjoy being together making music.

TiNMuGs attracts new members to the MFSs. They find us through the web site and recommendations from the Irish Club.

Julie is a gem and without her we would not be. Thank-you Julie.
