

TNMG Annual Report for 2018-19

As per last year our situation is unchanged.

We now play a session at the Irish Club on Tuesday nights 2 - 5 times a month. We are often joined by members of the Canberra Mandolin Orchestra and have a regular following of patrons at the Irish Club.

We continue to perform for no payment at Retirement communities ie...Amala -Gordon, Goodwin Village, Isabella Gardens, The Spiral Community Entertainment program, Kids Dances and the Irish Club, and practice on occasions at the home of Roy Harvey.

We have welcomed several new members this year and numbers at the Irish club sessions vary from between 10 - 26 musicians.

We continue to receive inquiries and gain members through the MFS Website and recommendations from the National Folk Festival.

The group is flourishing. I continue to have great support from Robert Hayes, Roy Harvey, Dave Wardle, Moir Holmes, Roni Giacobetti.
